

DRIVING FORCE.

RePOWER
Final Drive

The Mercedes-Benz RePOWER Final Drive option can help provide certainty by extending the operational life of your 13l or 16l Mercedes-Benz Truck. It is designed to give the final drive components a new lease on life, including:

- Differential centre
- 2nd differential centre
- Jack shaft

Inclusive of all labour and required lubricants.

All items fitted by Daimler Truck authorised dealerships are covered by our two-year parts warranty¹, and are able to be financed by Daimler Truck Financial Services including a Guaranteed Trade Back (GTB) amount at your anticipated new service life end-date.

¹Two year with unlimited kilometres parts warranty, excluding batteries, fitted at an authorised Daimler Truck Dealership.

and Mercedes-Benz are trademarks of Mercedes-Benz Group AG.
