

AN OVERHAUL FOR THE LONG HAUL.

RePOWER
Full

The Mercedes-Benz RePOWER Full Package gives you complete piece of mind when it comes to extending the life of your 13l or 16l Mercedes-Benz Truck, with a forensic check of the engine, transmission, cooling system and connecting auxiliaries. It is designed to give the core maintenance items as well as the engine, transmission, and cooling system a new lease on life, including:

- Battery AGM
- Belt
- Coolant hose
- Heater hose
- Top radiator hose
- Bottom radiator hose
- Bracket
- Belt tensioner
- Pulleys
- Receiver drier
- Fan clutch
- Alternator
- Starter motor
- Air filter
- Engine mount (front)
- Engine mount (rear)
- Clutch actuator
- Clutch assembly
- Radiator
- Engine
- Transmission
- NOX sensor
- Diesel Particulate Filter
- Adblue pump

All items fitted by Daimler Truck authorised dealerships are covered by our two-year parts warranty¹, and are able to be financed by Daimler Truck Financial Services including a Guaranteed Trade Back (GTB) amount at your anticipated new service life end-date.

¹Two year with unlimited kilometres parts warranty, excluding batteries, fitted at an authorised Daimler Truck Dealership.
