

TAKE IT UP A GEAR.

RePOWER
Gearbox

The Mercedes-Benz RePOWER Gearbox option can help to provide certainty by extending the operational life of your 13l or 16l Mercedes-Benz Truck. It is designed to give your truck's gearbox, clutch and transmission an extensive overhaul, including:

- Rear main seal
- Transmission
- Clutch kit (including actuator and assembly)
- Flywheel
- Flywheel bolts
- Spigot bearing

Inclusive of all labour and required lubricants.

All items fitted by Daimler Truck authorised dealerships are covered by our two-year parts warranty¹, and are able to be financed by Daimler Truck Financial Services including a Guaranteed Trade Back (GTB) amount at your anticipated new service life end-date.

¹Two year with unlimited kilometres parts warranty, excluding batteries, fitted at an authorised Daimler Truck Dealership.

 and Mercedes-Benz are trademarks of Mercedes-Benz Group AG.
